Synchrotron classifieds

The webpage of PTPS (synchrotron.org.pl) was largely modified. The new structure enables easier navigation among the features. In particular we offer a space for PhD and PostDoc

(<http://www.synchrotron.org.pl/index.php/en/announcements/phd-studies-in-synchrotron-science>)

and other job position advertisements

(<http://www.synchrotron.org.pl/index.php/en/announcements/job-opportunities>).

Offers from Polish universities and research institutions are particularly welcome.
